

Sarasota County Government

Sarasota County remains on a one-day-per-week watering schedule. However, due to recent restrictions set by Southwest Florida Water Management District, the following time restrictions now apply:

- Properties that are less than two acres in size are prohibited from irrigating between 8 a.m. and 6 p.m. on any allowable day.
- Properties that are more than two acres in size or larger are prohibited from irrigating between 10 a.m. and 4 p.m. on any allowable day.

It is important to know your watering day and follow water restrictions accordingly. More information can be found at <https://loom.ly/H7jLanM>
